

You do not need to complete this application all at once. You can save your progress and then come back to it, signing in the same way. If you have questions about steps in this application, please complete [this form](#).

We are always improving the application, so this guide may look slightly different than what you see in the actual application.

Step 1| Begin

If you have completed or are in your final semester of PathwayConnect, please go to byupathway.org/admissions/after-pathwayconnect.

Scroll down to click on “Apply”

You will be redirected to an external page to complete your application.

This is a shared application with all other schools in the Church Educational System. To know which sections of the application to focus on, we strongly recommend you use our **Application Guide** while completing your application.

[Apply](#)

If you are starting directly into an online degree program without having completed PathwayConnect, please go to byupathway.org/admissions/application-process#advanced-path and select "Apply Now."

ADVANCED PATH

The advanced path to a degree requires a more detailed application process (including submission of ACT/SAT scores) and is **primarily for U.S. students with significant previous university and online learning experience.**^{*} (If you previously completed PathwayConnect, [click here](#) for information about next steps to continue your degree.)

[Apply Now](#)

If you have applied to BYU or another school in the Church Educational System (CES) before, or registered for on-campus Church camps, such as EFY, or sports camps, you may already have a BYU Net ID. If you think you might have a BYU Net ID, select “**Log in with BYU Net ID.**” If you don’t have one, choose “**Log in with Church Account.**”

The screenshot shows a login page with the following text and elements:

- Header: "You will be redirected to an external page to begin your application and will be asked to **log in with either a BYU Net ID or your Church account.**"
- Text: "If you already have a BYU Net ID, you should use this to log in. You most likely already have a BYU account if you have previously applied to any CES school (BYU, BYU-Idaho, BYU-Hawaii, LDS Business College) or registered for Church camps such as EFY, sports camps, scout camp, etc."
- Section: "Already have a BYU Net ID?"
- Text: "If you already have a BYU Net ID, please log in below. If you have forgotten your username and/or password, use the links on the sign-in page to recover them. Please do not create a new BYU Net ID."
- Button: "Log in with BYU Net ID"
- Section: "Don't have a BYU Net ID? Log in with your Church account."
- Text: "If you have never created a BYU Net ID, use the button below and log in using your Church account. The system will take you through a series of sites to get you to the Church sign-in page. (If this process is slow, please avoid clicking anything until you are asked to enter your Church account information.)"
- Text: "To return to your application in the future, please use the button below."
- Button: "Log In with Church Account"

Red boxes and arrows highlight the following options:

- A red box labeled "I HAVE a BYU Net ID. (Click here)." with an arrow pointing to the "Log in with BYU Net ID" button.
- A red box labeled "I DO NOT HAVE a BYU Net ID. (Click here)" with an arrow pointing to the "Log In with Church Account" button.

After selecting “**Log in with BYU Net ID,**” you will see a page that looks like the image below. If you have forgotten your username and/or password, click on “Need help logging in?” to recover them.

If you selected “Log in with Church Account,” you may see this account creation page. **Be patient and wait for the Church Account Sign In box to appear.** If you have a slow internet connection and can’t load the Church Account sign-in page, please complete [this form](#).

Step 2 | Welcome

Write down your BYU Net ID so you will have it if you are asked for it in the future.

Please note, this is **NOT** where you choose your university. Just keep going! From now on, there will be a “Save and Continue” option at the bottom of each page.

ENDORSEMENT

Ecclesiastical Endorsement

The ecclesiastical endorsement is required of all applicants. You are responsible to schedule appointments with appropriate church leaders and ensure the recommendation is complete by the deadline.

When you click on “Begin Endorsement” you will be taken to a new tab. Once you finish your endorsement, you will need to return to the application to continue.

Remind your bishop that new students have a different endorsement page than continuing students: endorse.byu.edu.

BEGIN ENDORSEMENT

INSTRUCTIONS

After meeting with your leaders, you may check your status page to see if your endorsement has been completed.

For online degree-seeking applicants' questions, click [HERE](#). For all other applicants' questions, click [HERE](#).

There are two questions that many students ask:

1. Do I need to set up the appointments with my bishop and stake president (or other church leader for students of other faiths)?
YES

A new page will open with instructions for completing the endorsement. On the first page, select “Student” and then “Applicant.” Then select the blue text beginning with, “I am applying, returning...”

All students applying to a Church Educational System school, which includes Brigham Young University, Brigham Young University-Hawaii, Brigham Young University-Idaho, and Ensign College, are required to have an Ecclesiastical Endorsement.

Students need to select “Student” below and follow the instructions before meeting with ecclesiastical leader.

Leaders can access a queue of students seeking endorsement by selecting “Leader” and following the instructions.

2. How does my bishop or stake president (or leader for students of other religions) let BYU-Idaho know about the recommendation? **Here is what happens:**
 - You can either click on **Begin Endorsement** in your application or go to endorse.byu.edu.
 - Click on **STUDENT**.

A new page will open with the [CES Honor Code](#). Please read it, and if you agree to live by its standards, please select:

I commit to live the honor code and the related policies and standards

Fill out the information to select your Church unit (ward, branch, or mission).

To find your ward, branch, or mission you can either:

1. Put in the name of your bishop, branch president, or mission president
2. Put in the name of the ward, branch, or mission (but leave out the words ward, branch, or mission. So, “the Highland 18th Ward” would be entered as “Highland 18th” and the “Baltimore, Maryland Mission” would only be “Baltimore, Maryland”).

Find Ward, Branch, Mission, or other Unit of the Church of Jesus Christ

Search by any of the following:

Unit Name:

Leader First Name:

Leader Last Name:

Note:
You can use an * to search for parts of the name that you don't know; for example, "YSA*" will find all units whose names begin with "YSA".
Do not include the words "Ward" or "Branch" in the Unit Name.

Don't know where your ward is? [Click here.](#)

When you click on “**Select**,” this page will come up. Now, your endorsement request has been sent to your bishop/branch president/mission president. You can print these instructions and take them to your interview with your leader.

Your name is now in your Bishop's endorsement queue. Schedule your appointment with him. He should use [endorse.byu.edu](#) to enter his endorsement decision.

You will need a second interview with any member of the Stake Presidency. Please [print these instructions](#) and take them to your interview with your leader.

You may return to this site to check that your endorsement has been completed.

Note: If your leaders do not complete your endorsement request before Jan 28, 2021 this endorsement request will expire and you will need to start a new one.

Note: If you need to update your currently pending endorsement request; please cancel the request and start a new endorsement request.

BYU BYU-Hawaii BYU-Idaho Ensign College The Church of Jesus Christ

You will see an ecclesiastical endorsement form, along with instructions. If possible, print them out and take them to your church leader for the interview.

Do not click on this button unless you want to start your endorsement all over again!

Ecclesiastical Endorsement for Members of The Church of Jesus Christ of Latter-day Saints

- On the same webpage (endorse.byu.edu), your bishop/branch president should click on the tab that says LEADER.

Ecclesiastical Endorsement for Members of Other Faiths

- Your ecclesiastical leader (minister, pastor, rabbi, priest) should interview you and sign the form which you have already printed (see previous slide about that). Then he/she should either scan the form or take a photo of it and email it to the email address on the form. It should not be sent by you, the student.
- If you choose, or if you don't have an ecclesiastical leader, you may be interviewed by a local bishop or branch president of The Church of Jesus Christ of Latter-day Saints, even if you are not a member.
